

Be a buddy...Just4kixs

Just4kixs is looking for responsible teens to be a buddy to child with special needs. Just4kixs has been teaching soccer to children with special needs for 10 years. We are the largest soccer program in the country for children with special needs. We have over 150 children with different abilities and we need volunteers to work alongside them. If you are between the ages of 12- 19 you can be a buddy and friend to a special child.

You do not need any soccer experience to be a buddy. All you need is patience, enthusiasm, and a friendly smile. You will work alongside a child with special needs for **one hour each Saturday for 10 sessions**. Buddies will assist their special child in basic soccer skills, kicking, passing, running, dribbling, games and more. You will work one on one and guide them on the field under the direction of the head coach.

You will receive 15 hours of community service for completing the program and a lifetime of memories for sharing your time. We need about 220 buddies each season, bring your friends to sign up as well. We can assure you it will be one of the best and most rewarding experiences you will ever have. The Just4kixs soccer program has joined the Old Bridge Girls' Soccer League which plays on Higgins Fields in Old Bridge. (Boys and girls needed to be a buddy) (Address for field 260 Higgins road, Old Bridge)
