

Just4kixs

Soccer for Children with Special needs

If you have a child between the ages of 3 to 19 years of age with a disability such as Autism, Asperger, PDD-NOS, ASD, Down Syndrome, ADHD, ADD, PDD, 22q, speech delay, learning delay, behavioral problems, hearing impaired, visually impaired or any other developmental delay we have a special soccer program for them. The Old Bridge Girls' Soccer League offers a unique program to any special needs child (boy or girl) with an IEP or 504 in our town or any town. Just4kixs is the Largest Soccer league for children with special needs in New Jersey.

Our Just4kixs program is made up of dedicated coaches and buddies to assist your child in learning basic soccer skills in a non-judgmental environment with typical peers as role models. We work with your child on their special needs in a fun and creative way. Our program has it all, physical therapy, speech therapy, and social skills. We have five teams, broken up by age and skills. We have two groups of children who play a scrimmage without the assistance of a buddy if your child is ready for it. We have three other teams that use buddies to help your child learn the basics. We guarantee they will have a ball. The cost for the program is low and affordable.

\$50.00 for one child

\$70.00 for two children

\$90.00 for three or more children

NO REGISTRATION FEE NO WORK BOND

You do not need to be a resident of Old Bridge.

The fall season begins September 9, 2017 and ends November 11, 2017. We play for one hour on Saturdays. (11:45am to 12:45pm) Registration is online only; visit the website to enroll your boy or girl, www.oldbridgegirlssoccer.com or www.just4kixs.org
